The Inaugural Speech was given by **Mrs. Rupali Sen, Assistant Prof. & HOD, OT Dept, NILD, Kolkata** and she discussed about the importance of parental (mother) touch for their child, understanding & learning the therapy is more effective for child's improvement. She discussed about the parental training and counseling. Moreover, she also discussed about the detailed services in Cross Disability Early Intervention Centre, NILD Kolkata.

Mr. Amit Chowdhury, MOT & BOT (NILD, Kolkata) & Paediatric Occupational Therapist at AWWA Ltd, Singapore, discussed about the different aspect of sensory modulation which includes neurological function which is essential for homeostasis to attain or maintain optimal level of behavioral arousal and state of alertness. Further more, he also mentioned about the neurotypical sensory processing in infants and toddlers and about the way in which infants and toddlers perceive and modulate sensory information for behavior organization. He explained about identifying sensory processing patterns in infants and toddlers, the different age level observation from birth to 36 months, infant and toddlers sensory symptoms checklist, therapist role in early intervention, simple solution for sensory system challenges in sensory modulation disorder, proprioception and its simple solutions, vestibular system, tactile system, gustatory system, & it's simple solution for modulation. Finally he concluded with a case study and its progress. **Interaction session with the patients and caregiver was also held for half an hour.**

The total number of participants was 90 which included parents and caregivers of children, professionals (Occupational Therapist, Physiotherapist, Speech Language Therapist, Audiologist, Psychologists, Social worker, Special Educator), student, faculty and staffs of NILD(D).

Vote of thanks was delivered by Ms. Priyanka Ghosh, Clinical Psychologist, EIC, NILD, Kolkata.

Ms. Priyanka Ghosh, Clinical Psychologist, Cross Disability-Early Intervention Centre, NILD, Kolkata was the coordinator of the Webinar. Mrs. Eshani Mallick, Coordinator & Occupational Therapist, Cross Disability-Early Intervention Centre, NILD, Kolkata was the moderator of the program.
